Instructions for authors

Submissions & Deadlines

Frequency

Balcanica is an annual journal.

Submission

Balcanica publishes original scholarly papers and book reviews. Manuscripts should be submitted by email to balcanica@bi.sanu.ac.rs.

Submission Deadline

Balcanica receives submissions throughout the calendar year but only manuscripts submitted by the month of May will be considered for publication in the current year's issue.

Manuscript Preparation

Language

Accepted languages are English and French. Non-native speaking authors are strongly encouraged to have their manuscripts read and corrected by a competent language editor before submission. Texts should be grammatically correct and in a good writing style.

Article Length

Articles should not exceed 10,000 words. Longer papers will be considered for publication only exceptionally.

Formatting

Electronic texts should be submitted in Microsoft Word or Rich Text format – RTF (a PDF may be submitted in addition to the .doc, .docx or .rtf file, not as the only source). Keep the formatting as simple as possible. Do not use tabs. Use space key only to separate words. The text should be in single-column format and typed in Unicode fonts (Times New Roman is preferred). If there are special characters in the text, it is advisable that authors mark them and send the font. Do not use automatic hyphenation.

Cover letter and contribution contents

Contributions attached to the cover letter should contain the following elements: title page, article text with full bibliography, images, caption list.

Contents of title page

- Article title
- Author(s) name(s)
- Author(s) affiliation(s)
- Full postal address of author(s) affiliation(s) and country name
- E-mail address of each author
- Authors whose papers result from projects funded by the Ministry of Education, Science and Technological Development of the Republic of Serbia should specify the title and number of the project.
- Abstract
- Keywords

Authors should remove all identifying features from the article text to ensure that their identity is not revealed. The *Balcanica* has adopted double-blind review policy, where both referees and authors remain anonymous. Authors should cite their own works in a manner that does not make explicit their identity. Remove personal information from MS Word files.

Abstract

Every article should contain a concise abstract of up to 300 words which briefly states the purpose of the research, its principal results and major conclusions. Since the abstract is often presented independently of the article text, it should be able to stand alone.

Keywords

Immediately after the abstract provide 5 to 10 keywords.

Citation Guidelines

Balcanica adheres to the following styles based on the Chicago Manual of Style:

Both *Notes and bibliography* and *Author-date* systems are allowed. In-text citations instead of footnotes are accepted for articles in Archaeology / Anthropology / Linguistics / Social Sciences (Hansen 2000, 25).
